Meeting ID: 826 1479 7876

Passcode: 298799

Purpose

This meeting will serve as an Initial Planning Meeting (IPM) for the EPA Region 1 2023-2024 Lake Champlain GRS Testing Series involving EPA Region 1, VT DEC, and other state, federal, and local agencies. Its purpose is to identify those GRS and associated strategies to be tested, to discuss and determine testing objectives, schedule, and structure, establish logistical needs, and determine the extent of stakeholder participation. At the conclusion of the IPM, the exercise date, participation and objectives should be clear and action items should be assigned.
