Meeting ID: 899 2598 0214

Passcode: 660829

### Purpose

This meeting will serve both to introduce this project, and to review the preliminary Site Selection Matrix, examine candidate sites, develop additional information about resources at risk, spill threat, and site accessibility at each site, and ultimately select ten (10) sites for GRS development within the designated Moosehead Lake project region. We will also discuss other planned project activities including conduct of site surveys, tactics development, and final GRS development.
